Hi Ben,

No problem. Attached is the MRID.

Thanks!
Amanda

Eric, Wiebke, or Amanda,

Would you be able provide us with the endangered species lit review submitted by Oxitec (MRID 50889414)?

Thanks!

- Ben

Hi Ben,

The Risk Assessment cites a literature review/study that Oxitec submitted on the impact to threatened and endangered species ("A literature review was provided as an analysis of the potential impact of OX5034 *Aedes aegypti* on threatened and endangered species or critical habitat.") It is not in the docket, and although I found it listed in OPPIN using the MRID (50889414) there wasn't a PDF or anything to look at. Is there another way to access it?

Thanks!

Stephanie
